

CertainTeed  
**swiftstart**

Start off on the right shingle

**CertainTeed Swiftstart metric starter shingle is designed specifically for use with CertainTeed Landmark™ Series shingles. Rather than cutting expensive field shingles to use as starters, you can save time and money by starting with Swiftstart.**

- Reduced installation time, so jobs are finished faster
- Works with all metric shingles that are similar to Landmark
- Upgraded wind warranties available on Landmark Series when SwiftStart is installed along the roof eaves and rakes. Landmark to 110 mph; Landmark Plus, Landmark Premium and Landmark TL to 130 mph. See warranty for details and limitations.
- Code-compliant, meets min. 2" headlap requirement for metric shingles; many competing products do not
- Precision sealant for proper sealing at the eaves
- Each 18-piece bundle covers 116 linear ft.

**18 two-piece units**

**Separate to make 36 Swiftstart starter shingles**
